

# THE BOYS & GIRLS CLUBS NEED **YOU!**

## TO VOTE DURING THE “ASSOCIATE CHOICE PROGRAM”

The Boys & Girls Club believes that every young person has the potential to BE GREAT. This belief in the inherent potential of youth is the basis for Boys & Girls Club’s mission:  
“To enable all young people, especially those who need me most,  
to reach their full potential as productive, caring, responsible citizens.”

We promise our community four things: to be safe places for kids; to offer meaningful programs that make a difference; to have well-trained, caring professionals on staff every day; and we promise to give children hope and opportunity. Below are a few facts regarding the children we serve:

**The majority of our members live in low-income housing, sub-standard rental property or disadvantaged neighborhoods.**

**98% would be latchkey kids if they didn’t attend the Club.**

**40% of Club members are low academic achievers, but with tutoring and homework help offered at BGC, most graduate from high school.**

*During the months of June and July, you will be asked to vote for one of five organizations to receive money to further their mission.*

**THE CHILDREN OF THIS COMMUNITY NEED YOU TO VOTE FOR THE BOYS & GIRLS CLUBS.**

*You get to Vote once. Every vote is important. Every vote counts. THANK YOU.*
